Information Bulletin #2032

21.06.2022

Affected Discipline:

Historic Road Race All Classes

Information Pertains to:

Rule 8.14.1.11

Existing Rule:

SECTION 8D: TECHNICAL REGULATIONS:
8.14 ALL CLASSES

8.14.1.6 Major components are:
a) All engine and gearbox external castings,
b) Frames,
c) Swingarms,
d) Brakes,
e) Forks and fork yokes.

8.14.1.7 All other components shall be considered as minor components.

8.14.1.11 Minor components may be modified or updated, provided that they remain visually compatible with the period being depicted.

Rule Clarification:

8.14.1.11 Minor components may be modified or updated, provided that they remain visually compatible with the period being depicted.

Minor components must be visually compatible with the period and **includes tachometers and dashboards.**

Rationale:

A fully digital dashboard inclusive of tachometer does not meet visual compatibility rules for any of the current periods.
