THANK YOU FOR THE SUPPORT

MT NANCY CONTRACTING

WELCOME TO THE 2023 CBS CIVIL CONTRACTORS ATV MX NATIONALS

On behalf of Motorcycling Australia (MA), it is my pleasure to extend a warm welcome to all of you attending the 2023 CBS Civil ATV MX National (ATV MXN) Championships as it arrives in the Northern Territory for the very first time.

To CBS Civil, we appreciate your dedication and commitment to the growth and development of motocross in our country. Your sponsorship has provided opportunities for these talented riders to showcase their skills and chase their motocross dreams.

I would like to extend a special thanks to Territory Quad Association and their terrific committee. Your firm commitment and collective efforts to organise this event have been truly commendable.

A heartfelt thanks also goes out to the incredible volunteers who have generously offered their time, energy, and expertise. We are incredibly fortunate to have you as part of our motocross family.

To all the riders taking part in this year's CBS Civil ATV MXN, I wish you the very best of luck. Rest assured that I - along with the entire motocross community - will be paying close attention, eagerly anticipating these glimpses into Australia's motocross future!

Once again, I extend a warm welcome to all attendees, participants, and supporters. May the 2023 CBS Civil ATV MXN event be an unforgettable celebration of skill, sportsmanship, and camaraderie.

Best regards,
Peter Doyle
CEO, Motorcycling Australia (MA)

BREAKING NEWS

INTRODUCING THE 2023 'CBS CIVIL' ATV MXN COMMENTATOR

Stu McCarthy

In 1996 I started a radio show talking about speedway in my home town of Warrnambool Vic. That same year I started announcing Speedway at Warrnambool's Premier Speedway.

Commentated speedway in South Australia and Victoria until 2005 when I moved to announce at the now closed Parramatta City Raceway, I held that position until the venue closed, my role in Sydney is still the lead announcer at the brand new Eastern Creek Speedway.

Over the years I have announced Formula 1 Superboats, Superbikes and speedway kart racing.

Since 2018 I have been going to California USA (covid years no travel) to announce Speedway over there for Peter Murphy who is an Aussie that has made his home over there.

The speedway seasons 2016 & 17 I was fortunate enough to come to Darwin and announce the full season of racing which included The Chariots of Thunder series, had a brilliant time up here and certainly looking forward to this weekend of some very exciting racing.

Special mention to Danny Porter Mobile Mechanical in Berrimah for supporting this event and getting me to be a part of it!
