FIM OCEANIA SCORING ONLY – Team riders will compete in their class for an individual Australian Championship, but for FIM Oceania, each competitor's class will also be scored as per MoMS rule; 6.12.16.1 (in lieu of there being no Trial equivalent).

ALL riders in each class will be scored, meaning if the FIM Oceania selected riders finish 2nd and 5th, they will then receive points based on those positions – ie: 20 for 2nd and 16 for 5th. The team with the highest totalled point score across all team riders will become the FIM Oceania Champion for 2023.
