MOTORCYCLING AUSTRALIA GUIDELINES

Title:	**Limited One Event Licence and Limited Competition Events**
Last Review Date:	May 2026
Next Review Date:	May 2028
Responsible Persons:	Motorcycling Australia
Authority:	Motorcycling Australia

1. SCOPE

This guideline assists clubs and promoters in the implementation and management of Limited Competition Events utilising Limited One Event Licence (LOEL). Limited Competition Events are recreational events with some elements of competition. **There are only four (4) specific social activities that the LOEL is valid – Roll Racing, Gymkhana, Barrel Racing and Relay Racing.**

Limited Competition Events are those activities that fall directly between MA's definition of Competition and Recreation.

Limited Competition Events outside the four stipulated activities – Roll Racing, Gymkhana, Barrel Racing and Relay Racing – which do not fit into existing competitive disciplines and/or classes, may be considered by submissions from the SCB to MA only.

2. DEFINITIONS AND INTERPRETATION

2.1 **Event** means the organised recreational activity described in a permit issued by an RCB.

2.2 **MA** means Motorcycling Australia Ltd.

2.3 **Member** has the meaning given to it by the MA Constitution.

2.4 **Organiser** means the club, promoter or other recreational event operator that holds an MA permit to organise and conduct a recreational event

2.5 **RCB** means the Relevant Controlling Body being State Controlling Body in the state or territory where the Event is to be held, or MA in the case of interstate or national Events, responsible for the administration of these guidelines.

2.6 **SCB** means a state controlling body affiliated to and/or recognised by MA as a Member and as its delegate within that SCB's state or territory borders.

2.7 **Sport** means the sport or recreational activity of motorcycling.

2.8 Headings are for convenience only and do not affect interpretation and unless the context indicates a contrary intention.

2.9 "Includes" in any form is not a word of limitation.

2.10 A reference to "month" is to a calendar month.

2.11 A reference to "$" or "dollar" is to Australian currency.

3. A LIMITED COMPETITION EVENT IS LIMITED TO THE FOLLOWING ACTIVITIES:

3.1 Roll Racing

(a) Roll Racing is a form of drag racing where two participants are required to commence their run from a pre-determined rolling speed (usually 40-50km/h), accelerating along a predetermined distance to the finish line.

(b) Only road registered motorcycles are permitted in Roll Racing events

(c) Full road race gear is recommended; however, a minimum of street road riding gear must be used including:

(i) Full face road helmet

(ii) Gloves

(iii) Road motorcycle jacket

(iv) Road motorcycle pants or Kevlar jeans

(v) Back brace

(vi) Closed boots or shoes that cover the rider's ankle

(d) Basic Medical is required, refer to the MA Medical Guidelines

(e) Minimum Officials requirements include a Race Secretary, Clerk of Course and a Technical Officer, however any two of these three roles can be combined. The level of those officials is dictated by the MA permit the activity is operating under.

3.2 **Gymkhana (Motokhana) / Barrel Racing**

These events are skill-based motorcycle competition that test a rider's control, precision, and agility. Riders navigate tight turns, obstacles, or a cloverleaf barrel pattern as quickly and accurately as possible, with the focus on technique rather than outright speed.

(a) Basic Medical is required, refer to the MA Medical Guidelines.

(b) Minimum Officials requirements include a Race Secretary and Clerk of Course.

3.3 **Relay Racing**

(a) Relay racing is a team-based event where riders take turns completing sections of a course. Each rider completes a set number of laps or a timed segment before passing the race on to the next team member. The team with the fastest combined time or most laps completed wins

(b) Basic Medical is required, refer to the MA Medical Guidelines.

(c) Minimum Officials requirements include a Race Secretary and Clerk of Course.
